

INDUSTRY PARTNERSHIP

Join us as a key industry partner for the **2026 BKSA Championship Series**. Eight fantastic events around the UK covering three awesome kitesport disciplines: Big Air, Foiling and Kite Wave Riding.

The **2026 British Championship Series** will offer opportunities for industry brands to join us at each of our eight events. We know the huge value brands can add to any event, bringing the energy and enthusiasm as well as the gear and kit that people love to check out plus demo opportunities on the water. They also bring the key people in the industry and sponsored riders together which only adds to the atmosphere and success of any event.

We want to make it as easy and cost effective as possible for brands to be involved in the **2026 BKSA Championship Series**, and we have put together an affordable and supportive structure for industry partners to showcase their equipment and riders safely across all of our events.
