Coming as a couple? One reception role is also available for a partner joining one of our instructor hires.

THE ROLE

We are looking for qualified BKSA instructors to join our team in Kenya for the Kusi season (Mid June to Mid September). Teach in world-class conditions with full school support behind you.

- Latest Slingshot fleet across kite, wing and foil, professionally maintained throughout the season.
- Personal radio kit issued to each instructor, plus full kite setup (bars, lines, leashes).
- Beach team on hand to ensure additional organisational support during lessons.
- Rescue boat cover on the water for every lesson.

Watamu

Reef-protected lagoon with flat water inside and clean wave conditions outside. Mida Creek offers sheltered wing riding when the sea state picks up. Wake and ski boat runs out of Watamu through the season.

THE PACKAGE

- Competitive hourly rates, full breakdown shared on application.
- Private room in a shared instructor house with kitchen and living area.
- Work permit fully covered.
- Commission on equipment sales.

SEASON & CONDITIONS

Daily Kusi wind averaging around 23 knots through the season. Two distinct locations, each with their own teaching window.

Diani

Open stretch of beach with a flat water lagoon and a fringing reef. Reliable wind with consistent swell building through the day. Great surf alongside the kite and wing setup.
